3. Bases of Contract

The Terms of Use of poly-E-fair 2020, the privacy policy of the third party platform, the Swiss data protection laws, as well as the organizational, technical and additional regulations are the bases of contract for the participation in poly-E-fair 2020. When making use of any further fair services especially instructed to and provided by the co-organizers, and carried out by their service partners, the general terms of business of that particular service partner are in force - in case of discrepancy, prior to the Terms of Use of poly-E-fair 2020.

5. Registration, Conclusion of Contract

- Registration deadline: 28 February 2020
- Payment deadline: 31 March 2020
- Deadline for virtual booth design & content delivery: 09 April 2020

The registration is exclusively effected online through the website www.polymesse.ch/en/registration-poly-e-fair.html. After the following initiation of the participation in poly-E-fair, the conditions of participation are officially accepted by the applying party. The exhibitor is legally responsible for their employees' keeping to these conditions. The contract between the exhibitor and co-organizers is concluded through the confirmation of registration in writing given by the co-organizers. The participant is obliged to set up an account on the online platform provided by a third party.

6. Admission

Admitted exhibitors are companies which would like to promote themselves as employers for students, PhD students and graduates of ETH Zurich. The co-organizers determine whether or not an exhibitor will be admitted.

7. Co-Exhibitors

The admission for one or more co-exhibitors can only be granted by the co-organizers in the form of an approval in writing.

8. Accounts

When you create an account with us, you must provide us with information that is accurate, complete, and current at all times. Failure to do so constitutes a breach of the Terms, which may result in immediate termination of your account on our Service.

You are responsible for safeguarding the password that you use to access the Service and for any activities or actions under your password, whether your password is with our Service or a third-party service.

You agree not to disclose your password to any third party. You must notify us immediately upon becoming aware of any breach of security or unauthorized use of your account.

9. Participation Fee and Services

The participation fee is CHF 2500.- (excl. VAT) and includes the following services:

- participation at the virtual career fair on 5 May 2020
- 1 hour of technical support during preparation phase via email, telephone or Skype.
- templates for the individually designed booth
- access to the public profile information of registered participants
- virtual tools for the exchange with participants: live chats, phone calls, video calls, talent search function

10. Terms of Payment

The participation fee is payable upon receipt of the confirmation e-mail, which includes the bank account details and which will be sent to the contact details provided by the exhibitor. The fee is expected to be paid in net terms, in Swiss Francs and free of all charges. The payment must be received by the organizers by 31 March 2020. If the exhibitor fails to hold this deadline, the co-organizers have the rights to cancel the admission. The number of participants is limited. Therefore, the sooner you register, the higher are your chances to participate. Also, you shall execute the payment within the deadline to assure your spot at poly-E-fair. We encourage you to execute the payment immediately after receiving the bill.

11. Withdrawal from Registration

Once the definite registration (noting this Terms of Use) has taken place and the admission has been obtained, the contractual relationship cannot be rescinded. If, after a granted extension, the exhibitor doesn't fulfil the obligations which arise from the contract, the Terms of Use and the

supplementary provisions, the co-organizers are authorized to withdraw from the contract and to terminate it respectively. The same goes for the case in which the exhibitor's preconditions for the conclusion of the contract are not or no longer given. The same applies if the exhibitor stops its payment, if their capital is judicially filed for reorganization, if bankruptcy proceedings are instituted or if the exhibitor's company is in liquidation.

12. Cancellation of Admission

The co-organizers are entitled to cancel the admission and to assign the stand to another participant, if

- the virtual stand is discernibly not occupied in time - deadline for delivering the virtual content is the 09 April 2020
- the requirements for the admission of a yet registered exhibitor are no longer fulfilled, or the co-organizers later learn about reasons, which would have justified the exclusion of the exhibitor.

Reimbursements of the participation fee will not be executed and are excluded in any case.

13. Setting up of Virtual Stands, Stand Fittings, Stand Layout

During the access hours of the entire event, the stand must be virtually attended and supervised by proficient staff. The deadline for booth design and handing in content is 09 April 2020. Not respecting this deadline may be a reason for exclusion from the poly-E-fair 2020. The virtual stand must suit the overall plan of the event. The co-organizers have the right to prohibit the exhibitor from setting up unsuitable, bothering or inappropriate content. If this request is not complied with before the deadline imposed, the co-organizers are entitled to cancel the admission on the Exhibitor's expense.

14. Intellectual Property

The Service and its original content (excluding content provided by users), features and functionality are and will remain the exclusive property of poly-E-fair and its licensors. The Service is protected by copyright, trademark, and other laws of both Switzerland and foreign countries. Our trademarks and trade dress may not be used in connection with any product or service without the prior written consent of poly-E-fair.

15. Links To Other Websites

Our Service may contain links to third-party web sites or services that are not owned or controlled by poly-E-fair.

poly-E-fair has no control over, and assumes no responsibility for, the content, privacy policies, or practices of any third party websites or services. You further acknowledge and agree that poly-E-fair shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on any such content, goods or services available on or through any such websites or services.

We strongly advise you to read the terms and conditions and privacy policies of any third-party websites or services that you visit.

16. Termination

We may terminate or suspend your account immediately, without prior notice or liability, for any reason whatsoever, including without limitation if you breach the Terms.

Upon termination, your right to use the service will immediately cease. If you wish to terminate your account, inform the co-organizers via email and you may simply discontinue using the service.

17. Limitation Of Liability

In no event shall poly-E-fair, nor its directors, employees, partners, agents, suppliers, or affiliates, be liable for any indirect, incidental, special, consequential or punitive damages, including without limitation, loss of profits, data, use, goodwill, or other intangible losses, resulting from (i) your access to or use of or inability to access or use the Service; (ii) any conduct or content of any third party on the Service; (iii) any content obtained from the Service; and (iv) unauthorized access, use or alteration of your transmissions or content, whether based on warranty, contract, tort (including negligence) or any other legal theory, whether or not we have been informed of the possibility of such damage, and even if a remedy set forth herein is found to have failed of its essential purpose.

18. Disclaimer

Your use of the Service is at your sole risk. The Service is provided on an "AS IS" and "AS AVAILABLE" basis. The Service is provided without warranties of any kind, whether express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, non-infringement or course of performance.

19. Governing Law

These Terms shall be governed and construed in accordance with the laws of Switzerland, without regard to its conflict of law provisions.

Our failure to enforce any right or provision of these Terms will not be considered a waiver of those rights. If any provision of these Terms is held to be invalid or unenforceable by a court, the remaining provisions of these Terms will remain in effect. These Terms constitute the entire agreement between us regarding our Service, and supersede and replace any prior agreements we might have between us regarding the Service.

20. Changes

We reserve the right, at our sole discretion, to modify or replace these Terms at any time. If a revision is material we will try to provide at least 30 days notice prior to any new terms taking effect. What constitutes a material change will be determined at our sole discretion.

By continuing to access or use our Service after those revisions become effective, you agree to be bound by the revised terms. If you do not agree to the new terms, please stop using the Service.

21. Alterations, Force Majeure

The co-organizers have the right to call off the event, shift it in time or alter its length. Hence, the exhibitor has no right to withdraw from the contract. If the co-organizers are not able to carry out the event due to force majeure or political reasons, the co-organizers are obliged to inform the exhibitors without delay. In principle, the claim for booth rent fails in this case, however, the co-organizers can bill the exhibitor for all the expenditures arisen from the work the co-organizers have been commissioned to do, as far as the result of the work is still of interest to the exhibitor. Should the co-organizers be able to carry out the event at a later date, they are obliged to inform the booth leasers on this matter without delay. The booth leasers are entitled to cancel their participation on the changed date within one week after the making of the announcement. In this case, they are entitled to a partial refund or waiver of the booth rental fee. If the co-organizers are obliged to cut short or cancel the already started event due to force majeure or political reasons, the Exhibitor has no right to refund or waiver of the stand rental fee.

22. Promotion, Questioning

Political promotion is inadmissible. The co-organizers are entitled to have recordings taken of the exhibition event, the exhibition sets and stands and to use them for promotion or press release without the exhibitor's being entitled to object for any reasons. This also goes for photographs, screenshots, recordings and shots which are directly taken by the press or television with the approval of the co-organizers. Questioning on the exhibitor's part is only permitted in their own stand's chatroom.

23. Exhibitor's Claims, Written Form, Place of Performance, Legal Venue

All the exhibitor's claims against the co-organizers are to be brought in writing. The statute of limitation begins with the first start of the event. Agreements which deviate from the conditions or their supplementary provisions, require the written form. It is solely Swiss law that is decisive. Zurich is both place of performance and legal venue. However, the co-organizers have the right to put forward their claims at the court of the place where the exhibitor has their headquarters.
