

How to prepare for poly-E-fair 2021

Source: poly-E-fair team

Before attending the fair:

1. Research the companies that participate. Poly-E-fair is only one day, so it can be overwhelming if you are trying to find which company interests you, at the day of the fair.
2. Have your CV ready!
The recruiters may ask you for it.

While attending the fair:

1. Make sure that your profile is updated.
Be professional but also the real you!
2. Reach out to the companies!
Take initiative and join the chat at the booth.
3. Ask the recruiters questions and participate in the live streams.
Use the opportunity for videocalls for a more personal experience and exchange.

After the fair:

1. Follow up! Do not hesitate to communicate with the company representatives you have talked with or/and the company HR 's department!
2. Access and make notes of the various booth contents!
We keep the booths available at the poly-E-fair platform for 2 weeks following the fair, in case you miss them!
3. Check your emails! We will send you information regarding the fair soon after its end!
